Lemont Township Special Board Meeting – March 15, 2024

The March 15th, 2024, meeting was called to order by Lemont Township Supervisor Mike Shackel at 8:00 a.m. at Lemont Township Community Center, 16300 Alba Street, Lemont, Illinois. Pledge of Allegiance was said and roll was called by Shackel (Clerk Barb Buschman absent); Trustee Debra Blatzer, Trustee Terry Lemming, Trustee David Molitor, - Ayes; Trustee Jeanette Virgilio and Buschman – Absent.

Matters from the Public: None

Shackel explained the purpose of the Special Board Meeting was twofold: the first reason was to review the Landmark Construction Contractor Agreement, which Shackel received on Tuesday, March 12, 2024; however, there was not enough time to place it on the agenda for the Board Meeting later that night. The second reason was to review and formally approve the April 9, 2024, Annual Town Meeting agenda.

Shackel said Landmark Construction was the only contractor who submitted a line-item bid. Shackel said Lemont Township Road & Bridge Commissioner Mark Labno, as well as Architect Simon Batistich, highly recommended Landmark.

Lemont Township Facilities Director Glenn Pasiewicz said he has communicated with Village of Lemont, and permits will be forthcoming. In addition, the 180-day window deadline will begin when Landmark receives the signed contract on March 18; thus deadline for completion is Saturday, September 14, 2024.

Administrator Mario Mollo asked about enforcing the 180-day deadline with a 10% penalty. Both Shackel and Pasiewicz said they were advised by both Labno and Batistich that no contractor would agree to it because of supply chain issues.

Molitor asked about additional space for storage and food pantry. Pasiewicz said he ensured there will be more storage built in the expansion, as he wants the surplus of tables and chairs in that storage. Shackel said he communicated with both food pantry shelters, and both Bethany Lutheran and United Methodist Churches wish to continue their partnership with Lemont Township in holding the food pantries. However, Shackel said there is space planned for a future food pantry if needed.

Motion made by Lemming, 2nd by Blatzer to approve Landmark Construction agreement: On roll call: Shackel, Blatzer, Lemming and Molitor-Ayes. Virgilio - absent. Motion passed.

Shackel explained Lemont Township is required by law to host an Annual Town Meeting on the second Tuesday of April every year. Shackel said the meeting will be proctored by the Lemont Township Clerk, and he provided the agenda for review. Motion made to approve by Blatzer, 2nd by Molitor. On roll call: Blatzer, Lemming, Molitor-eyes. Virgilio - absent. Motion passed.

Motion to adjourn at 8:55 a.m. made by Molitor, 2nd by Lemming. On roll call: Blatzer, Lemming and Molitor-aye, Virgilio-absent. Motion passed.

April 2024 Board Meeting Human Services Report

This month I certified 3 food pantry recipients.

I received 1 application for Financial Assistance, The General Assistance application from last month has been approved. The Emergency Assistance application dropped off from last month was denied, there was no follow-up from the applicant. The new application from this month, after our appointment asked that we hold off on further assistance.

I have assisted 2 residents getting the Benefits Access program to get a lower license plate sticker cost. It was recently lowered even more from \$24 to \$10

The Lucky Day Bingo event was a huge hit! There were lots of Seniors in attendance.

The CUB presentation on March 14th, did not draw a big crowd. Only about 15 seniors.

Sarah Forzley Povic, she is a local attorney, do a presentation on April 11th about Estate Planning. We currently have about 20 people registered for this event.

Later in the month, The Senior Association will be hosting their April Showers Bingo event!

During the Month of March, we had 11 rented meetings at both the Community Center and the Warner Ave building.

Sanctuary, Community Center & Warner Update:

- 1) We hosted Early Voting from Monday March 4th to Monday March 18th and Election Day Tuesday March 19th (16,708 Registered Voters; 4157 Total Ballots Cast; 1760 Early Voters=25.36% total voter turnout)

ATTEST:

BARBARA A. BUSCHMAN
Township Clerk

(60 ILCS 1/85-13)

Sec. 85-13. Township services, generally.

(a) The township board may either expend funds directly or may enter into any cooperative agreement or contract with any other governmental entity, not-for-profit corporation, non-profit community service association, or any for-profit business entity as provided in subsection (b) with respect to the expenditure of township funds, or funds made available to the township under the federal State and Local Fiscal Assistance Act of 1972, to provide any of the following services to the residents of the township:

(1) Ordinary and necessary maintenance and operating expenses for the following:

(A) Public safety (including law enforcement, fire protection, and building code enforcement).

(B) Environmental protection (including sewage disposal, sanitation, and pollution abatement).

(C) Public transportation (including transit systems, paratransit systems, and streets and roads).

(D) Health, including mental, behavioral, eye, dental, or other healthcare.

(E) Recreation.

(F) Libraries.

(G) Social services for the poor and aged.

(2) Ordinary and necessary capital expenditures authorized by law.

(3) Development and retention of business, industrial, manufacturing, and tourist facilities within the township.

(b) To be eligible to receive funds from the township under this Section, a private not-for-profit corporation or community service association shall have been in existence at least one year before receiving the funds. The township board may, however, for the purpose of providing day care services, contract with day care facilities licensed under the Child Care Act of 1969, regardless of whether the facilities are organized on a for-profit or not-for-profit basis.

(c) Township governments that directly expend or contract for day care shall use the standard of need established by the Department of Children and Family Services in determining recipients of subsidized day care and shall use the rate schedule used by the Department of Children and Family Services for the purchase of subsidized day care. Notwithstanding the preceding sentence, the township board may approve the application of a different, publicly available, professional or academically recognized standard of need in determining eligibility for subsidized day care.

(d) Township governments that directly expend or contract for senior citizen services may contract with for-profit (or not-for-profit) and non-sectarian organizations as provided in Sections 220-15 and 220-35.

(e) Those township supervisors or other elected township officials who are also members of a county board shall not vote on questions before the township board or the county board that relate to agreements or contracts between the township and the county under this Section or agreements or contracts between the township and the county that are otherwise authorized by law.

(f) The township board may enter into direct agreements with for-profit corporations or other business entities to carry out recycling programs in unincorporated areas of the township.

The township board may by ordinance administer a recycling program or adopt rules and regulations relating to recycling programs in unincorporated areas of the township that it from

time to time deems necessary and may provide penalties for violations of those rules and regulations.

(g) For purposes of alleviating high unemployment, economically depressed conditions, and lack of moderately priced housing, the trustees of a township that includes all or a portion of a city that is a "financially distressed city" under the Financially Distressed City Law may contract with one or more not-for-profit or for-profit organizations to construct and operate within the boundaries of the township a factory designed to manufacture housing or housing components. The contract may provide for the private organization or organizations to manage some or all operations of the factory and may provide for (i) payment of employee compensation and taxes; (ii) discharge of other legal responsibilities; (iii) sale of products; (iv) disposition of the factory, equipment, and other property; and (v) any other matters the township trustees consider reasonable.
