Assessor's Report - June 2025

- 1. In May, we entered 120 permits issued for the month of April in the Cook County Assessor's Office.
- 2. During the month of May, the Assessor's Office had 15 appointments, and they completed nine Certificate of Error applications.
- 3. Starting this month, Lemont Library and the Assessor's Office will be hosting Ask The Assessor! This will take place on the 4th Tuesday of every month from 10:00 to 11:00 at the Lemont Library. A member of the Assessor's Team will be available to answer any questions from the public.
- 4. Diana continues to modernize the Assessor's Office, as she continues to digitalize the 2023 and 2024 paperwork.
- 5. We anticipate the appeals window to be open sometime in July for Lemont Township.
- 6. We received a nice gift from a resident, who appreciated that our office went "above and beyond" in assisting her with her property tax. We informed her that we go "above and beyond" with everyone who comes to our office, which is why we originally refused her monetary gift. The resident recently returned to give us this awesome gift!

June 2025 Board Meeting Human Services Report

This month there were 9 food pantry certifications.

I received 3 phone calls this month regarding assistance and only 1 completed an application and had appointment. It was denied. I also had one pending application from last month, it was approved for Emergency Assistance and the Family Assistance Fund. I received approval from the Salvation Army for one of the applications I had pending, the other was denied.

I had 5 calls about LIHEAP this month, scheduled 5 appointments and completed 5 applications this month. LIHEAP is officially closed for the program year and is expected to re-open in October. This year, this location was able to assist a total of 146 residents and those residents received a total of \$60, 202 in assistance

I had 2 calls about the Benefit Access program, scheduled 2 appointments but they were both over income.

I had 5 calls regarding the Nicor Sharing program, scheduled 4 appointments but completed 4 applications.

The Senior Social with the Park District was cancelled due to low enrollment. There was a Mother's Day Bingo event and all of the seniors really enjoyed it.

This month, we will host the BING-Oh It's Summer event on June 12th. We will also be hosting the AARP Safe Driving Course this month. Our location is also going to the TOCC meeting location for the Caseworkers Division.

This month we received a big donation of food from E&K of Chicago, they donated 4 pallets of food, we also had some donations of food from Everest Academy. Some members of the Lions Club as well as the Highway Department helped to get the food sorted and we were able to get is distributed to our pantries.

Event Space Rentals and Meetings

Looking back to the events and meetings this past month -- In May, we had a couple Communion receptions, one birthday party and a funeral luncheon. We also hosted 6 meetings in our new boardroom with Goldstone Financial Group. All were successful events. Our event rental calendar is on our MS Outlook and synced up to the Skylight frame at the front desk. If you want access to that calendar let Cindy O'Malley know.

Open Space and Walking Paths

Fireman Sealing coating completed the walking paths on May 27th. They worked all day to get the job completed. We did have some drizzle at the end of the day so there will be a touch appointment scheduled here to fix a couple of spots that need attention.

Pizzo & Associates

We are continuing the monarch butterfly initiative. The free milkweed seeds and pollinator mix seeds available for residents in the reception area. There will be a nature walk/presentation by Pizzo expert on June 21 as well as a Beehive presentation. All dates can be found on the township website (Calendar on Home page and Woodland Sanctuary page) There is an online volunteer sign up button for any resident to sign up and help this committee.

The Pizzo & Associates Work Report is included this board packet. See other document pages for this summary of the work completed in the field May 2025.

Woodland Sanctuary Advisory Committee

They are continuing to promote the Sanctuary Saturdays. The open space clean up day in May was a small group. Re-launching this committee and building up volunteers is the goal here. Also, working on a proposal for the acquisition and maintenance of the 32-acre unit north of the Woodland Sanctuary. Mario and the Village are handling the review of the open space usage agreement between township and The Forge.

Traditional Landscaping

MBS - booster pump in. Garden irrigation working nicely now. Had one issue with an old valve which was correct this month. Part two will be to add irrigation to the front entrance. Vendor is waiting for more dry weather to complete groundwork. Should be early to mid-June. Waiting on MBS to schedule a time.

Outside Storage

The new location was discussed at the last meeting. Ordering this and building this storage garage will be done in conjunction with our new parking lot project.

Maintenance/Repairs/Janitorial

R.A. Plumbing installed new double drinking fountains and bottle filler. Outside drinking fountains are on for the season. Com Ed box replaced on Friday May 2nd. This box is located between the dumpster enclosure and the garden. Additionally, an old broken valve was replaced in the Community Garden sprinkler system to avoid leaking.

Parking Lot Project

Bid opening happened on a Zoom call on May 29th. Michael Shackel and Cindy O'Malley in attendance along with Tony Spinelli/Strand. We received 8 vendor bids. The bid summary letter from Strand to be included in this board packet. Next step is approval to hire the lowest bid vendor and then get the contract signed. Once the contract is in place and permitting is secure, we will officially get going on this project.

End of July or beginning of August 2025 starting of project.

As a side note, we are taking event space rental requests from the residents on a case-by-case basis. Notification of the parking lot situation. Also looking into a rental golf cart to assist residents to the front door during construction phase. Monday through Friday our seniors and weekend guests for party rentals.

Marketing and Communications

We continue to push out information through our multiple communication channels. (Facebook, website, Lemont Patch) The process of sharing information is working very well between our staff and the Village the Park District and the Library. If you have any questions on advertising an event or have an announcement to "push out" please contact Cindy O'Malley or Lisa Kairis.

Website and social media

Hired a new company for our webhosting, WordPress platform training/support and for social media archiving. Nexsulting, LLC out of Yorkville. This group was one of the vendors that bid/interviewed for our new website design project last year. The group offers servicing we are looking for to support Cindy O'Malley and Lisa Kairis on maintaining the website as well as support for FOIA requests/archiving. \$200 per month servicing fee.

General Notes for Client

For today, our crews main priority was to push back various tree saplings and invasive forbs in order to make room for the butterfly gardens. We were able to spray the gravel area near the fireplace and trim up the Oak tree that was blocking the sidewalk and bench behind the building. For the butterfly unit near Wend St., our crew mowed down the area. We had left the good plants standing to help repopulate the area and placed seed down.

Quite the abundance of native species all throughout the unit! You can see the Ohio spiderwort (Tradescantia ohiensis) in bloom, and soon New england aster (Symphyotrichum novae-angliae).

For our next visit, we will prioritize pushing back various tree saplings as well as Reed Canary Grass (RCG), Phragmites, and Birdsfoot trefoil.

Re: Community Center Parking Lot

Contract 1-2025 Lemont, Illinois

Dear Mr. Shackel:

Bids for the above-referenced Project were opened on May 29, 2025. Eight Bids were received with the resulting Bid tabulation enclosed. The low Bid of \$328,580.80 was less than ENGINEER's opinion of probable construction cost.

Abbey Construction Company, Inc. of Aurora, Illinois, was the apparent low Bidder at \$328,580.80. The Bid included a Bid Bond for 10 percent and Addendum No. 1 was acknowledged. The Bid is deemed to be responsive.

Strand Associates, Inc.[®] has previously worked with Abbey Construction Company, Inc. For those projects, the owners determined Abbey Construction Company, Inc. to be responsible.
