Lemont Township Board of Trustees Meeting
August 11, 2026, 7:00 p.m., Lemont Township Office
16300 Alba Street, Lemont, Illinois
AGENDA

I **Call to Order/Pledge of Allegiance**
II **Roll Call**
III **Approval of the Township Board Meeting Minutes from July 14, 2026**
IV **Matters from the Public**

Public Comment:
"We have come to the point in the meeting that is set aside for public comment. Members of the public are invited to address the Board on any matter during this time. There is a three-minute time limit for your remarks. At the beginning of your comments, please state and spell your name. Please be aware that this is an opportunity for you to provide your input, but the public comment is not intended to be a question-and-answer exchange with the members of the Board. Responses to questions asked during the public comment portion of this meeting will be provided in writing following the meeting. If you would like responses to your questions, please provide your e-mail address on the speaker's list at the back of the room."

V **Staff Reports**

A. Approval of Payment of Bills
B. Highway Commissioner's Report
C. Clerk's Report
D. Assessor's Report
E. Director of Human Services/Senior Activities Report
F. Director of Facilities/Open Space Report
G. Director of Transportation Report
H. Administrator's Report
I. SALT Update
J. Woodland Sanctuary Advisory Committee
K. Supervisor's Report

VI **Unfinished Business**

VII **New Business**
A. Move the November Board Meeting due to conflict with TOI Conference
B. Revise May Meeting Minutes

VIII **Closed Session**

IX **Motion to Adjourn**

Lemont Township Board Meeting – July 14, 2026

The Lemont Township Board meeting was called to order by Michael Shackel on July 14, 2026, at 7:02 p.m. at the Township offices at 16300 Alba Street. The Pledge of Allegiance was said, and roll was called by clerk Christine Zielke; Blatzer, Labno, Lemming, Molitor, Wilk, Shackel - present.

A motion was made by Wilk, 2nd by Lemming to approve the minutes from the June 9, 2026 board meeting. On roll call: Blatzer, Lemming, Molitor, Wilk, Shackel -ayes. Motion passed.

Matters from the Public:

Ken Chlebick, 11801 Hillcrest Drive, is wondering if the washed-out roadway on his street is being taken care of. Mark Labno assured him that it would be added to the schedule, in addition

Terry O'Connor 16532 132nd Street - After the recent rains, the water created a river across 132nd St near the new 4 houses being built and asked if that could be addressed going forward. Mark Labno assured him it would be looked at as well as the wood pile that is sitting nearby.

Patty Martin 20 Horseshoe Ln- wondering if the Road Commissioner position will be full-time. Patty's husband talked to Mark and is looking at a camera being installed to see how the water is affecting the sinkholes in the area. Mark Labno said a concern of his was the large slope that is behind their house.

Charles Martin 20 Horseshoe Ln- thanked the board for their time serving. He also asked if there is a plan for fixing the roads in their subdivision.

Dan Merrion, HOA President of Equestrian Estates asked how the department decides on what roads are fixed and when. Commissioner Labno explained they conduct a pavement evaluation assessment, and the report ranks the roads by repair need. He also shared that the township spent over $700,000 in paving and repair needs for their subdivision last year.

Maryann Bachelor 2 Split Rail- Thanks for repairing stone wall. There is a street sign on the ground on Horseshoe. Mark will address that. Mark will also address an issue on the south entrance to Horseshoe/Equestrian Estates and getting a "No Parking from here to corner" sign near a large house right at the south entrance. Mark Labno said he will look into this.

Dan Merrion, 5 Buckskin - HOA President of Equestrian Estates- requested for a timeline for road paving and repairs and for more communication.

Mayor John Egofske addressed the Board regarding the proposed Copper Ridge West development and the Village's approximately 30 acres of potential sanctuary land that would be managed by Lemont Township.

The Mayor discussed potential legal options under which the Township would maintain the property through a long-term lease agreement, referred to as an Evergreen Lease, between the Village and Lemont Township. He stated that if both parties fulfilled their commitments, the Township could continue operating and maintaining the property as a shared goal between the Village and the Township.

Mayor Egofske noted that, if the proposal is approved, the attorneys could move quickly to prepare the necessary agreements. He also stated that he would seek to have the developer help fund improvements to the property. He explained that, in concept, impact fees could be used to enhance the trail system that would connect to the Beechen Hill development. Proposed improvements include a parking area near the existing beehives to serve as a starting point for a looped trail system.

Both Mayor Egofske and Supervisor Shackel agreed that the area is currently underutilized and expressed confidence in the Beechen Hill developers, describing them as experienced developers with a history of quality projects.

The Mayor also shared that the developer is proposing to construct sidewalks to allow children to walk safely to school while connecting neighborhoods to the Township's walking path system. The proposal would require easements to provide residents with pedestrian access to the trails and designated parking areas. Mayor Egofske emphasized the importance of having the developer contribute impact fees while encouraging collaboration among all parties to achieve the project's goals.

Approval and Payment of Bills and Salaries:

General Fund		$	122,101.71
Road & Bridge		$	29,930.50
General Assistance		$	4,997.85
Family Assistance		$	0.00
	Total:	$	157,030.06

Motion to approve payment of bills made by Blatzer, 2nd by Lemming. On roll call: Blatzer,

Lemming, Molitor, Wilk, Shackel -ayes. Motion passed.

Staff Reports:

Road & Bridge Commissioner (Mark Labno) –

Commissioner Labno said the crew was busy with the recent storm damage. He gave kudos to his team and said that they rented a chipper for about $2500 along to pick up all the fallen branches and tree limbs for the Township. A recent meeting with Strand and their awarded contractor for 132nd Street is happening, and Mark will sit down with the residents to share next steps once it's finalized. Strand Associates is working on Maple and 132nd St. and planning to do this in the fall. They might be trying to add more projects to this bid project. Projects South of 131st will be coming out to bid soon. We will be addressing more paving concerns so we can have them ready for spring. Mark also shared that he is finalizing a draft with the Township attorney to help Mr. Banks, Oak Court, so they can move forward.

Clerk (Christine Zielke) – We are currently working on a major records organization project that we anticipate will take several months to complete. We are also in the process of moving older files from an off-site storage to the Township office to improve accessibility and efficiency. We are also preparing a records disposal request for the Illinois Local Records Commission as well as establishing a more systematic approach to managing both historical and current records. We have received a handful of deceptive or questionable FOIA requests from organizations using ambiguous or unfamiliar business names these requests often seek broad volumes of records and require careful review to ensure we meet our legal obligations while protecting confidential or exempt information. We are carefully reviewing each request and working closely with our Township attorney to ensure we are covered, and our responses comply with the Illinois Freedom of Information Act.

Another important project will be reviewing the meeting minutes and documents posted on the Township website to ensure that we are ADA Compliant. We are in the initial stages to evaluate the requirements and determine the best process moving forward. Our initial focus will be to ensure any upcoming meeting documents that are posted on our website is in an accessible format.

In addition, Commissioner Labno and Supervisor Shackel were presented with awards from the Township Officials of Cook County (TOCC) for outstanding service, leadership and commitment to the mission of TOCC.

Assessor (Mario Mollo) Property tax appeals are delayed for 2 months. Appeals are pushed back until further notice. The Assessor's office will share more once they have more information.

Human Services (Diana Kunickis - absent) – The New Human Services employee, Melanie Grzesik-Duffy is currently onboarding in her new role.

Facilities (Cindy O'Malley) – See Attached Report for additional information. She reported on dog registrations for the month. She is continuing to work with our website developer to ensure ADA accessibility. She updated the board on the license plate reading proposal and siad it was more expensive than expected. Will look into other options.

Transportation (Marybeth Nunzio - absent) – See attached report.

Administrator (Mario Mollo) – Mario will forward the Forge report to the Board. Collecting school supplies for the Bethany Lutheran project. Compliant for accepting Credit Cards. New copier in August. Alerted everyone to Notary scams currently happening and because of this we are putting in new Notary restrictions.

SALT Update (Terry Lemming) – June's SALT meeting was Mark Pawlak, beekeeper. Next week is the SALT picnic, all welcome.

Woodland Sanctuary Advisory Committee - (Jeanette Virgilio) – Many of her questions were answered by Mike Shackel and John Egofske, just looking for updates to provide to her committee. She also said she received a proposal from Pizzo for the township land at the Forge and the cost to renew the neglected areas and the gazebo area would be about $70,000.

Supervisor Update (Mike Shackel): Supervisor Shackel moved his report to the beginning of the meeting to accommodate the Mayor's attendance. Both Supervisor Shackel and the Mayor discussed the approximately 30 acres of the Copper Ridge West development adjacent to the Woodland Sanctuary.

He also informed the Board that he would send an email to those members interested in serving on the Family Assistance Committee.

The Board then discussed the PUD Planned Unit Development agreement with The Forge regarding Township property. Supervisor Shackel stated that he would like to bring the matter to a conclusion with a clear plan demonstrating progress on the maintenance of the property. Trustee Monitor asked whether the Township should consider committing additional funds or instead establish more stringent expectations for activities and maintenance. Supervisor

Shackel invited the trustees to share their thoughts. Trustee Wilks said he would like to see specific improvements made to the property and expressed interest in touring the site. It was noted that most of the areas of concern are located on Township property.
Trustee Lemming shared that he had helped clean up the property the previous fall and expressed disappointment that some issues had not been addressed. He stated that The Forge should be held accountable for completing agreed-upon work, noting that large concrete structures remained on the property despite plans to remove them when The Forge relocated its climbing towers. Jeanette confirmed that those structures were expected to be removed. Trustee Molitor commented that some Township funding may be necessary to help maintain the area. The trustees also asked whether The Forge had been providing progress reports. Mario responded that several reports had been received directly from The Forge and said he would follow up with the trustees. The discussion continued regarding what additional funding for the property might entail and whether grant opportunities could help offset future costs.

The Board also discussed future Township paving and road repair needs. Conversation included the potential need for a tax levy increase and whether that would be feasible. It was noted that if a referendum were required, Village residents would also need to vote on the measure, which could present challenges if they did not perceive a direct benefit. Supervisor Shackel concluded by stating that the Township would need to continue exploring available options. Commissioner Labno estimated that approximately $10 million to $12 million would be needed over the next four to five years to place the Township in a stronger position to stay on schedule with paving projects.

New Business –

A. Motion to approve Ordinance 2026-2027-03 Road and Bridge Budget and Appropriation made by Blatzer, 2nd by Wilk, On roll call: Blatzer, Lemming, Molitor, Wilk, Shackel -ayes. Motion passed.

Motion to adjourn meeting made Molitor, 2nd by Lemming. On roll call: Blatzer, Lemming, Molitor, Wilk, Shackel -ayes. Motion passed.

Meeting adjourned at 8:39 pm

Christine Zielke, Clerk

LEMONT TOWNSHIP

Assessor's Report – July 2026

1. On Tuesday, June 23, Diana gave an Ask the Assessor presentation at the Lemont Library. Two residents were in attendance. Our next Ask the Assessor will be Tuesday, July 28, at 10:00 a.m. at the Lemont Library.

2. During the month of June, 151 Village of Lemont permits and 23 unincorporated Cook County permits, which were issued in the month of May, were entered in the Cook County system.

3. Diana was one of the Lemont Township representatives at the June 30 Senior Fair at St. Cyril. Diana brought her laptop, and she was able to assist two residents with their property tax queries while at the Fair. Thanks!

4. Lemont Township will be one of the south/southwest townships which will be reassessed during the 2026 Triennial Reassessment. On Friday, May 15, Diana and Mario communicated with the Reassessment Team from the Cook County Assessor's Office. In summary, we learned the Reassessment Team should visit with the Lemont Township Assessor's Office Team sometime in August or September to review home sales models and updates. Shortly after that meeting, the Appeals window should officially open for Lemont Township. Four to six weeks after the Appeals window closes, Lemont Township residents should receive their results.

5. During this meeting, we also learned that the Cook County Board of Review is finishing their data collection for Lemont Township residents, and the Reassessment Team is hoping to receive that information in the very near future.

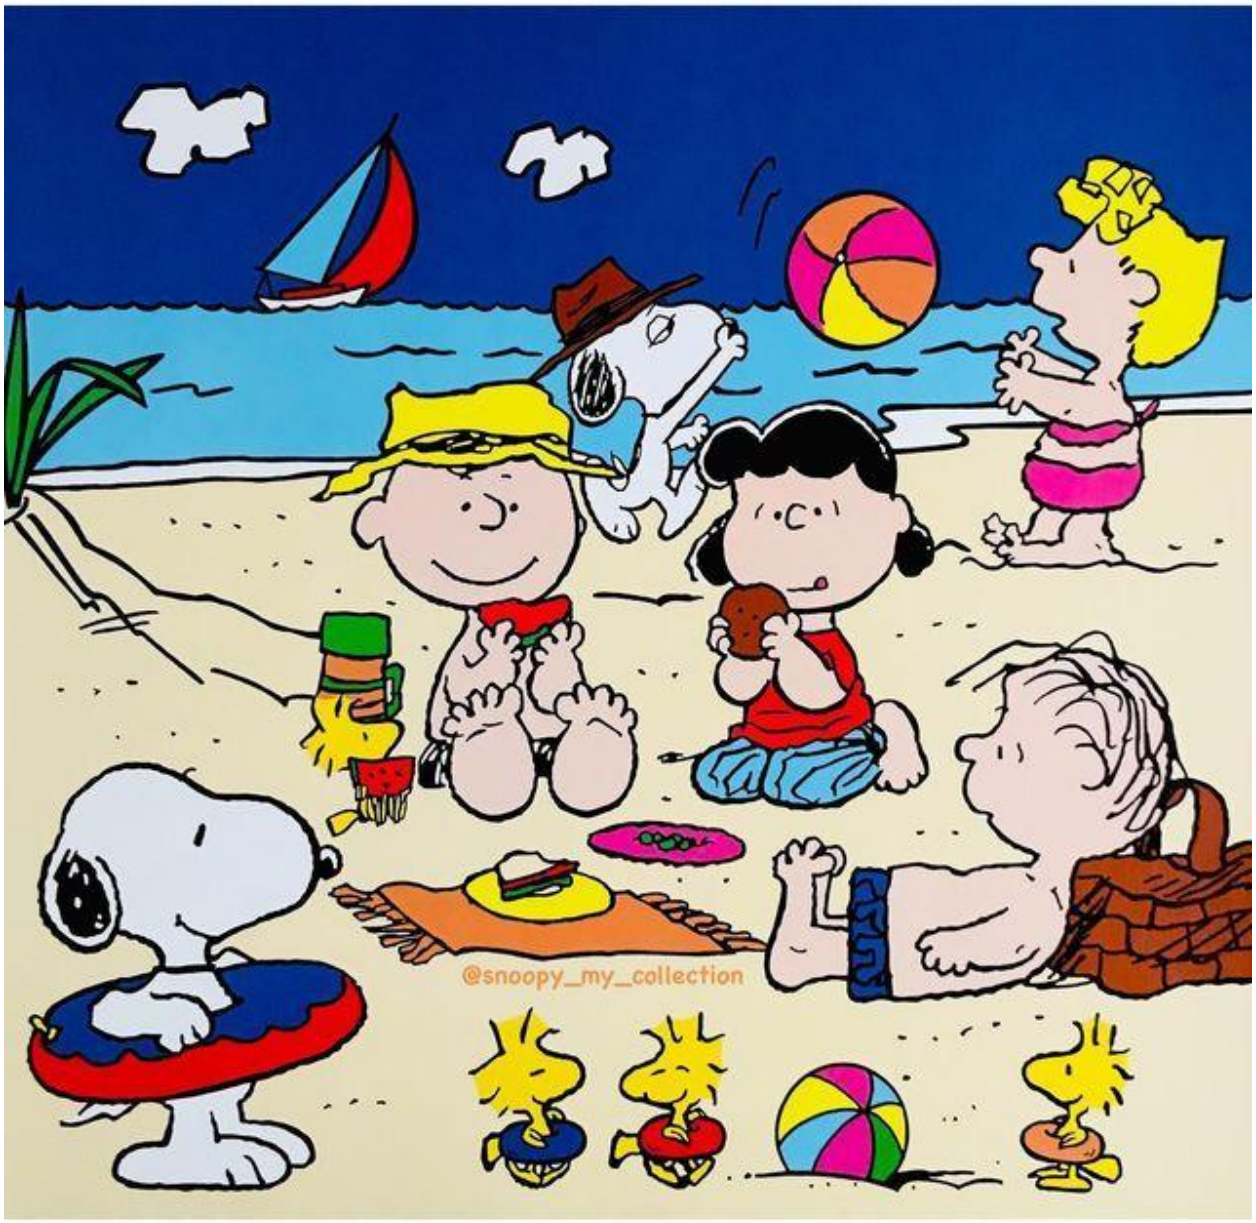

6. On June 9, Cook County announced that Second Installment Tax Bills will be delayed for at least two months, which most likely means Lemont Township won't receive the Tax Bills until sometime after Labor Day.

7. As of June 26, 2026, there were still 72,652 Cook County Assessor and Treasurer refunds which were overdue to Cook County residents, which include 49,535 Property Tax Appeal Board applications and 5,531 Certificate of Error applications. We understand everyone's frustrations and we appreciate everyone's patience as Cook County continues to upgrade their computer system.

LEMONT
TOWNSHIP

8. Please keep retired Deputy Assessor Joyce Black in your thoughts as she battles a difficult health challenge.

9. We hope everyone safely enjoyed the festivities as we celebrated our country's 250th anniversary, and please remember to stay cool this summer.

HUMAN SERVICE BOARD REPORT, AUGUST 2026

The Summer Lunch Program concludes this month. We had twenty families participating with a total of forty-one children that benefited from this program. From June through August, Lemont Township gave away a total of $4,500 in gift cards.

There were 3 Food Pantry Certifications this month.

One resident came in for Benefit Access to obtain reduced license plate sticker. This resident was not approved because she was over income. I assisted this resident with her SNAP Application.

One resident came in for assistance with the LIHEAP application. Assisted two residents with the Nicor Sharing Program through the Salvation Army.

On August 11th, I will attend the Salvation Army regional meeting in Blue Island. It is mandatory to attend one meeting per year. Melanie will be attending this same meeting in Joliet on August 28th.

I completed the 2027 CEDA PIPP Recertification Training. On August 19th Melanie and I will be attending the General Assistance/Emergency Assistance training at Schaumburg Township. Melanie and Marybeth met with our local RTA representative on August 3rd to update the Township's information on their website as well as schedule a site visit with our representative. Melanie and Mario will be meeting with Terri O'Neill-Borders on August 11th to continue community collaboration and connection.

There were three residents that came in and picked up General Assistance Application. One resident turned in the application.

We had sixty-six seniors attend the July 17th Jubilee Bingo. It was an enormous success. On August 28th, we will have Hawaiian Luau with entertainment, dancing, and raffle prizes.

Lemont Township Facilities Director Report
August 2026

Event Space Rentals and Meetings
In *July 2026*, we continued to have a normal volume for event space rentals. The type of events that have been booked in the space are as follows: end of summer Library event with an Owl presentation, a public hearing for CITGO, Healing Light Fellowship church service two times per month, as well as the usual monthly meetings scheduled events during the weekdays.

Note: Upcoming event space rentals for August 2026 is shown on the next page attached here.

Pizzo & Associates/Prairie Maintenance
Third 2026 season visit will be completed in Aug 2026. See attached report. This was a general maintenance visit with multiple herbicide targets and trimming down some annual weeds. We continue coordination with the Woodland Sanctuary Committee's volunteer work on property, the Road and Bridge department mowing schedule, and coordinate with any side projects on property.

Building Operations/Maintenance/Repairs/Janitorial/IT Support
Police-Tronics, our multi-purpose vendor, completed many outstanding projects for our facilities this month. They installed a new flat screen TV in the board room because all the existing HDMI ports died on the older Sony TV. In the new addition, all the thermostats were moved into office hallways for betting temperature regulation and HVAC controls in that section of the building.

Other small projects completed are as follows:

- Outdoor lighting on patio bulbs replaced.
- Replaced wheels on our large TV rolling cart.
- Preparing website and online forms for our upcoming appeals season.
- Updating the Human Services page and Road District page with updated information and new images as well as our Calendar on the Home page updates.

HVAC filters replaced after Canada forest fire smoke and added free-on for the main building unit above the Banquet Hall.

Storm management by Road District and call handling at the front desk thanks for all the teamwork.

Central Bark Dog Park
New procedure for Road District when mowing inside dog park – a "caution under maintenance" strap was purchased to secure gate while they are mowing for pet and pet parent safety. Dog park holes in bottom of fencing were repaired. *Our dog park annual membership sales transactions for FY2026: April -14, May -16, June – 6, and July - 9.*

Outside Open Space/Maintenance/Repairs
Continuing work on bollard and trash can modifications to prevent rainwater accumulation. Also evaluating a 10-foot roof ladder access solution to provide connectivity between the existing building and the new building section on our rooftop. And, continuing to research wireless camera options for the dog park and Roberta Street parking lot. Looking for an affordable, user-friendly solution. Additional details and recommendations will be provided at the next meeting.

Website Accessibility Project
We continue working on updating our LemontTownship.org website (WordPress platform) to enhance accessibility. Conversion of all PDF files is the second phase of this overall project. This shall be completed gradually over time the remainder of this year.

Woodland Sanctuary Committee/Open Space/Central Bark Dog Park
Any updates from the committee are to be given by chairperson Jeanette Virgilio and/or Supervisor Shackel for the 32 acres and the Copper Ridge West development plan. Meetings of the Woodland Sanctuary Advisory Committee happen monthly.

August 22 clean-up will be canceled due to low turnout and hot weather. There will be a planning meeting in the Board Room that morning for the committee members and any other volunteers that want to attend.

Volunteer clean-up days are as follows: September 19 nature walk event + October 17 seed harvesting.

Wed 8/12/2026 9:00 AM - 9:30 AM

Reminder that Judy from Lemont PD would like to borrow 20 black chairs for this event

Judy
Radomski<jradomski@lemont.il.
us>

Cindy O'Malley

Hi Cindy:

Mario Mollo directed us (Melissa Gracia & myself) to you regarding us borrowing folding chairs for our annual Kops-N-Kids Night/Emergency Vehicle Night. We usually only need 20 chairs at the most and would borrow one day and return the next.

For 2026, our show will take place on Wednesday, August 12th.

I will be in contact with you when the date gets closer. Thank you so much for your assistance!

Kindly,

Judy Radomski
Office Manager/Assistant to the Chief

Important Disclosures

Important Disclosures

This statement is for general information purposes only and is not intended to provide specific advice or recommendations. PFM Asset Management ("PFMAM") is a division of U.S. Bancorp Asset Management, Inc. ("USBAM"), a SEC-registered investment adviser. USBAM is direct subsidiary of U.S. Bank National Association ("U.S. Bank") and an indirect subsidiary of U.S. Bancorp. U.S. Bank is not responsible for and does not guarantee the products, services or performance of PFMAM. PFMAM maintains a written disclosure statement of our background and business experience. If you would like to receive a copy of our current disclosure statement, please contact Service Operations at the address below.

Proxy Voting PFMAM does not normally receive proxies to vote on behalf of its clients. However, it does on occasion receive consent requests. In the event a consent request is received the portfolio manager contacts the client and then proceeds according to their instructions. PFMAM's Proxy Voting Policy is available upon request by contacting Service Operations at the address below.

Questions About an Account PFMAM's monthly statement is intended to detail our investment advisory activity as well as the activity of any accounts held by clients in pools that are managed by PFMAM. The custodian bank maintains the control of assets and executes (i.e., settles) all investment transactions. The custodian statement is the official record of security and cash holdings and transactions. PFMAM recognizes that clients may use these reports to facilitate record keeping and that the custodian bank statement and the PFMAM statement should be reconciled and differences resolved. Many custodians use a settlement date basis which may result in the need to reconcile due to a timing difference. If you do not receive a report from the custodian on at least a quarterly basis, please notify your relationship manager at your custodian and PFMAM.

Account Control PFMAM does not have the authority to withdraw funds from or deposit funds to the custodian outside the scope of services provided by PFMAM. Our clients retain responsibility for their internal accounting policies; implementing and enforcing internal controls and generating ledger entries or otherwise recording transactions.

Market Value Generally, PFMAM's market prices are derived from closing bid prices as of the last business day of the month as supplied by ICE Data Services. There may be differences in the values shown for investments due to accrued but uncollected income and the use of differing valuation sources and methods. Non-negotiable FDIC-insured bank certificates of deposit are priced at par. Although PFMAM believes the prices to be reliable, the values of the securities may not represent the prices at which the securities could have been bought or sold. Explanation of the valuation methods for a registered investment company or local government investment program is contained in the appropriate fund offering documentation or information statement.

Amortized Cost The original cost of the principal of the security is adjusted for the amount of the periodic reduction of any discount or premium from the purchase date until the date of the report. Discount or premium with respect to short term securities (those with less than one year to maturity at time of issuance) is amortized on a straightline basis. Such discount or premium with respect to longer term securities is amortized using the constant yield basis.

Tax Reporting Cost data and realized gains / losses are provided for informational purposes only. Please review for accuracy and consult your tax advisor to determine the tax consequences of your security transactions. PFMAM does not report such information to the IRS or other taxing authorities and is not responsible for the accuracy of such information that may be required to be reported to federal, state or other taxing authorities.

Financial Situation In order to better serve you, PFMAM should be promptly notified of any material change in your investment objective or financial situation.

Callable Securities Securities subject to redemption prior to maturity may be redeemed in whole or in part before maturity, which could affect the yield represented.

Portfolio The securities in this portfolio, including shares of mutual funds, are not guaranteed or otherwise protected by PFMAM, the FDIC (except for certain non-negotiable certificates of deposit) or any government agency. Investment in securities involves risks, including the possible loss of the amount invested. Actual settlement values, accrued interest, and amortized cost amounts may vary for securities subject to an adjustable interest rate or subject to principal paydowns. Any changes to the values shown may be reflected within the next monthly statement's beginning values.

Rating Information provided for ratings is based upon a good faith inquiry of selected sources, but its accuracy and completeness cannot be guaranteed.

Shares of some local government investment programs and TERM funds are distributed by representatives of USBAM's affiliate, U.S. Bancorp Investments, Inc. which is registered with the SEC as a broker/dealer and is a member of the Financial Industry Regulatory Authority ("FINRA") and the Municipal Securities Rulemaking Board ("MSRB"). You may reach the FINRA by calling the FINRA Hotline at 1-800-289-9999 or at the FINRA website address https://www.finra.org/investors/investor-contacts. A brochure describing the FINRA Regulation Public Disclosure Program is also available from FINRA upon request.

Key Terms and Definitions

Dividends on local government investment program funds consist of interest earned, plus any discount ratably amortized to the date of maturity, plus all realized gains and losses on the sale of securities prior to maturity, less ratable amortization of any premium and all accrued expenses to the fund. Dividends are accrued daily and may be paid either monthly or quarterly. The monthly earnings on this statement represent the estimated dividend accrued for the month for any program that distributes earnings on a quarterly basis. There is no guarantee that the estimated amount will be paid on the actual distribution date.

Current Yield is the net change, exclusive of capital changes and income other than investment income, in the value of a hypothetical fund account with a balance of one share over the seven-day base period including the statement date, expressed as a percentage of the value of one share (normally $1.00 per share) at the beginning of the seven-day period. This resulting net change in account value is then annualized by multiplying it by 365 and dividing the result by 7. The yields quoted should not be considered a representation of the yield of the fund in the future, since the yield is not fixed.

Average maturity represents the average maturity of all securities and investments of a portfolio, determined by multiplying the par or principal value of each security or investment by its maturity (days or years), summing the products, and dividing the sum by the total principal value of the portfolio. The stated maturity date of mortgage backed or callable securities are used in this statement. However the actual maturity of these securities could vary depending on the level or prepayments on the underlying mortgages or whether a callable security has or is still able to be called.

Monthly distribution yield represents the net change in the value of one share (normally $1.00 per share) resulting from all dividends declared during the month by a fund expressed as a percentage of the value of one share at the beginning of the month. This resulting net change is then annualized by multiplying it by 365 and dividing it by the number of calendar days in the month.

YTM at Cost The yield to maturity at cost is the expected rate of return, based on the original cost, the annual interest receipts, maturity value and the time period from purchase date to maturity, stated as a percentage, on an annualized basis.

YTM at Market The yield to maturity at market is the rate of return, based on the current market value, the annual interest receipts, maturity value and the time period remaining until maturity, stated as a percentage, on an annualized basis.

Managed Account A portfolio of investments managed discretely by PFMAM according to the client's specific investment policy and requirements. The investments are directly owned by the client and held by the client's custodian.

Unsettled Trade A trade which has been executed however the final consummation of the security transaction and payment has not yet taken place.

Please review the detail pages of this statement carefully. If you think your statement is wrong, missing account information, or if you need more information about a transaction, please contact PFMAM within 60 days of receipt. If you have other concerns or questions regarding your account, or to request an updated copy of PFMAM's current disclosure statement, please contact a member of your client management team at PFMAM Service Operations at the address below.

Subject: May 12th, 2026 Minutes
Attachments: 2026-May-Minutes.pdf

Good morning -

I was looking at the approved minutes from the May 12th meeting. Since I attended that meeting to hear the discussion about the drainage area behind our property I wanted to go back and see what was documented from that night. I noticed two errors pertaining to our situation.

1) "Tim Banks, 13535 Oak Ct. drainage issues. Previous owner was Bruce Biwer." **Correction: Bruce previously lived in my house at 13527 Oak Ct, not at Tim's house.**

2) "Additional resident, Terry Anseo, 14259 Hawthorn Drive confirmed
this area floods 2-3 times a year and the water takes a considerable amount of time for it to recede."
Correction: Terry's last name is AnCel, not Anseo.

I just thought those should be corrected. I cannot speak to the accuracy of the rest of the minutes. If you have any questions, please let me know.

I look forward to the township's prompt update on the attorney's agreement, which has been under review for over two months, so we can start to correct this issue.

Thank you,
Jocelyn Painter
13527 Oak Ct
